Total Number of Comments: 3
------------------------------------------------------------------------------------------------------
1. RESPONSE: One of the best TAs I've had throughout my two years at UT. Super helpful, genuinely passionate about the subject
matter, and always willing to go the extra step either in algorithm's evenings or during his planned office hours.
------------------------------------------------------------------------------------------------------
2. RESPONSE: Filled this out because we had to, although I never went to your office hours. I don't doubt you were good though!
------------------------------------------------------------------------------------------------------
3. RESPONSE: Super helpful and patient. One of the best TAs that I have had at UT
