2. RESPONSE: Rohan did a great job as a TA! He was always able to explain concepts in a concise way that made sense and provide
effective explanations. He was always super helpful in office hours and patient with questions. I remember that even after the
transition, he made every effort to put our understanding as the first priority holding extra office hours and recitation to help
us. Great TA! /// SURVEY SUMMARY (Question Number-Scale Position) /// Q1-5, Q2-5, Q3-5, Q4-5, Q5-5, Q6-5, Q7-5, Q8-5, Q9-5,

4. RESPONSE: During both the first and second half of the semester Rohan was one of the kindest and most helpful TA I've ever had in
ECE. He was able to answer my questions and direct towards the right answer while not making me feel dumb. He always made time
for everyone who came to his OH, and you can tell he truly loves teaching others and Algorithms. /// SURVEY SUMMARY (Question
